

Directions to Motswiri Private Safari Lodge

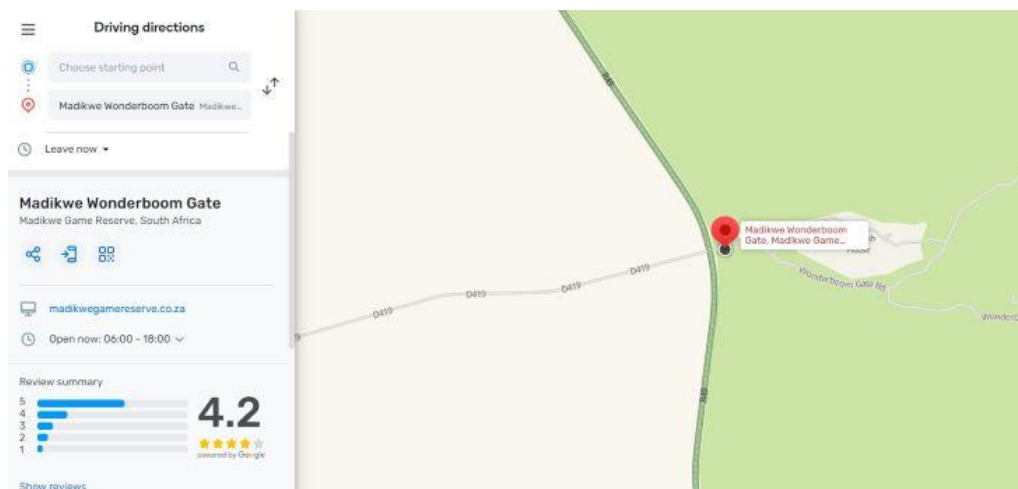

- From **OR Tambo Airport** – take the **R21** towards **Pretoria** and at the intersection head north on the **N1** towards **Polokwane** & the **N4 Toll Road**
- Once past **Pretoria**, turn onto the **N4 Toll road** towards **Rustenburg, Swartruggens, Groot Marico** and **Zeerust**
- **Please stay on the N4 – do not follow GPS as it might take you on alternative gravel roads which are not very well signposted.**
- Please approach Motswiri from the main Zeerust/Gabarone road (R49) and enter through the Wonderboom Gate.
Do not approach Motswiri from the Sun City side of the Reserve by attempting to enter the Reserve through the Moletedi Gate as the chances of getting lost are high and the time taken will be far longer as you will have to travel through the Reserve on a main road and then exit and re-enter the Reserve through Wonderboom Gate.
- Once in **Zeerust** turn right at the 4th stop street into **“President Street”**. There is a signpost on the left that says **“Madikwe Game Reserve/Gaberone”** and a ABSA Bank on the corner to the left.
- Follow the **R49 (R47 occasionally)** towards the reserve for approximately 91km
- The first entrance to the reserve is **Abjaterskop Gate**
- Pass that gate and enter at the next gate – **Wonderboom Gate**, exactly 7km from the first gate on your right-hand side.
- **Please contact the lodge when passing through Zeerust :**
